

WIN A STAY AT LANGLEY CASTLE

... or another prize that's on offer too!

THE WHAT IS IT? WHERE IS IT? CHALLENGE COMPETITION

Our 'What is it? Where is it?' Northumbear's Apprentices Challenge is officially launched for Northumberland Day 2022 and here are all the details you need.

We have compiled a list of items that we want you to 'find', in the sense of working out what they are and where someone might expect to:

- see them; or
- buy them (offline or online); or
- enjoy or order them from an eatery/café's menu; or
- find mention of them on a place's website

All can be found somewhere within the county of Northumberland and only Northumberland-based answers will count. The items are listed opposite and you can copy this and use it as your answer sheet, if you wish.

Prizes:

Stage 1: £40 voucher (choice of Tesco, Amazon, Next or WH Smith) or a £40 voucher for dinner at an Inn Collection Group venue (winner can choose).

Stage 2: £215 Bed & Breakfast Experience for 2 gift voucher, to spend at Langley Castle Hotel, Langley-on-Tyne (subject to Ts & Cs).

Terms & Conditions

The title refers to a prize of a £215 Bed & Breakfast experience for 2 voucher for Langley Castle, as referenced on the Langley Castle website on May 17, 2022. The stage 2 prize will only be on offer if we get more than 30 people entering, by uploading different images, as requested, on Northumberland Day. The stage 2 winner will just win the prize voucher for Northumberland Day, not that prize plus the stage 1 voucher. Should we find that nobody answers all questions correctly, the prize/s will go to the entrant who achieves the highest number of correct answers. In the event of a draw, the winner will be the first name drawn from the hat in a random draw. Entrants must be aged over 18 at the time of entry. Only one entry per household is permitted. The prize is as stated and no alternative will be provided. No other expenses or disbursements will be paid. Voucher usage will be in line with the conditions of the voucher's supplier and winners should check on these on receipt of their voucher.

Rules

You can enter stage 1 of the contest, simply by telling us what these things are and naming a place where you could find them. There may only be one. If there is a choice of place, that's fine; just name the one you know. Email your completed answer sheet, plus your name, address and telephone number, to office@northumberlandday.co.uk or by post to Northumberland Day Office, 30 Castle Avenue, Carleton, Poulton-le-Fylde, Lancashire, FY6 7NW, by the closing date of June 6, (midnight).

To enter stage 2 of the contest, you need to be pictured with one thing on the list, and send us your answers, as detailed above. You will then need to POST your picture on social media, with the hashtags #NorthumberlandDay and #NorthumbearsApprentices ON NORTHUMBERLAND DAY ITSELF, WHICH IS MAY 29th (SUNDAY). You can post your picture before submitting the full list, but we must have both elements completed and have the list by June 6.

(Make sure, when you send your list, that you tell us your user name and social media channel and that you have, or will, be posting a picture, so we can find the picture on social media and tie picture and answers together as one entry).
